Hi PJ,

Thank you for putting the documents for FOIA EPA-HQ-001118 online.

Quick question – I saw that FOIA Online now shows that the FOIA has been closed with a partial grant/partial denial. However, we’ve only provided a partial response with documents from ORD so far. The requestor will be expecting a response from other offices in the future.

Will he receive notification of the FOIA being closed? I can send him a note otherwise.

Thanks,

Claudia
